renounced the hope of a decision this year's campaign are transformed. Losses which the Germans could reasonably contemplate upon the calculation of a rapid decision cannot be contemplated when the prospect of a campaign next year and parham.

DEALINGS WITH ENEMIES.

Trade After War.

Within the last two months the Board of Trade has accepted the specifications of in invention submitted by a German and a German firm of manufacture and a German firm of manufactur f Trade has accepted the specifications of ers, both resident in Berlin. This in-the-street," was elicited yesterday in peace."

Parliament by Sir Edward Carson, Sir Albert Stanley explained, however, that AWARDS OF MILITARY MEDAL. no patent has been granted to these Ger-man inventors, and that none will be granted to any enemy inventors during the war. It appears that all the belligerents have a common policy in the matter, and that British inventors enjoy the same of Berlin, enjoys in England. Sir Albert Stanley suggested that the arrangement is easily favourable to British industry. During the war any British subject may tion thus registered in Great Britain, and

the war. When Sir Albert Stanley was asked to define the position of a temporary licencee of one of these German inventions KING'S COUNTY GRAND JURY AND THE THE INFLUENZA EPIDEMIC.

ORANGE MEETING IN DUBLIN.

DEMANDED. DEMANDED.

A crowded meeting was held last night, under the anspices of the Loyal Orange Institution, in the Fowler Memorial Hall, Rutland square, Dublin. The members of the Order wore regalia, and the ladies who attended also wore Orange favours. While the meeting was assembling the Loyal Orange Brass and Reed Band (Mr. W. Cain conductor) played a programme of music. Mr. T. H. Liddy, D.G.M., City of Dublin, presided.

campaign is transformed. Losses which the Germans could reasonably contemplated upon the calculation of a rapid decision cannot be contemplated when the prospect of a campaign next ydar, and, parhaps, longer, still has to be taken into account. At the end of the present year's fighting, to meet a possible reaction by the Allies, and its plans must certainly include a defensive scheme for next year. Once the hope of a decision is abandoned, the enemy's resumed offensive in this year's campaign cannot be undertaken on such a scale or pushed to such a point that reserves will be so far exhausted as to be unable to meet the Allies' inevitable reserves will be so far exhausted as to be unable to meet the Allies' inevitable reserves will be so far exhausted as to be unable to meet the Allies' inevitable re-
